

MHBP VALUE PLAN: Affordable coverage for the unexpected

A plan with your health care needs and budget in mind

The MHBP Value Plan is our most affordable plan. It provides you with valuable protection against an unforeseen illness or event.

The Value Plan balances low cost and high satisfaction. That makes it a great choice for healthy people who don't typically need a lot of medical services.

Plus, you pay nothing for preventive care from network providers. Including things, like an annual exam, screenings, immunizations and well-child visits.

VALUE PLAN BENEFITS INCLUDE:

- Up to \$300 in wellness rewards
- No out-of-pocket costs for maternity care
- No cost for telehealth through Teladoc®
- No cost MinuteClinic® at a CVS Pharmacy®*
- 40 alternative care visits per year for chiropractic care and acupuncture
- No cost for Lab Savings Program

*Includes select MinuteClinic services. Not all MinuteClinic services are covered. Please consult benefit documents to confirm which services are included. However, such services are covered at negotiated contract rates. This benefit is not available in all states. Aetna and MinuteClinic, LLC (which either operates or provides certain management support services to MinuteClinic-branded walk-in clinics) are part of the CVS Health family of companies. Aetna is the brand name for products and services provided by Aetna Life Insurance Company and its affiliates.

Teladoc® and Teladoc physicians are independent contractors and are not agents of Aetna. Visit [Teladoc.com/Aetna](https://www.teladoc.com/Aetna) for a complete description of the limitations of Teladoc services. Teladoc, Teladoc Health and the Teladoc Health logo are registered trademarks of Teladoc Health, Inc.

This is a summary of the MHBP Value Plan. Before making the final decision, please read the 2022 official Plan Brochure (RI 71-007). All benefits are subject to the definitions, limitations and exclusions set forth in the 2022 official Plan Brochure.
