RE: Certified Results of 2020 Nominations Meeting and Primary Election

We are pleased to enclose our Report containing the certified results of the 2020 Nominations Meeting and Primary Election. One protest concerning eligibility was filed prior to the 8:00 p.m. (eastern time) deadline on July 21, 2020, but that protest has been denied.

A copy of this Report will be posted on the NPMHU website.

**NATIONAL POSTAL MAIL HANDLERS UNION
CERTIFIED RESULTS OF 2020 NOMINATIONS MEETING
AND PRIMARY ELECTIONS**

The National Postal Mail Handlers Union held its Nominations Meeting for the 2020 election of National Officers on Tuesday, July 21, 2020 at 2:00 p.m. (eastern time). The meeting was held virtually amongst the Delegates elected to the 2020 National Convention. Of the 341 certified Delegates, at least 217 participated.

The following were the only members nominated for the five offices listed below, and therefore were declared elected by acclamation:

| <u>Office</u> | <u>Nominee</u> |
|--------------------------------------|-------------------|
| National President | Paul V. Hogrogian |
| National Secretary-Treasurer | Michael J. Hora |
| Central Regional Vice President | June Harris |
| Northeastern Regional Vice President | David Wilkin |
| Southern Regional Vice President | Lawrence Sapp |

The following members were nominated for the offices listed below, and will be candidates during a mail-ballot election to be held amongst the members during September and October 2020:

| <u>Office</u> | <u>Nominee</u> |
|---------------------------------|----------------------------------|
| Eastern Regional Vice President | John Gibson Felandria Jackson |
| Western Regional Vice President | Don Sneesby Juan Torres |

All four of these nominees have officially accepted their nomination. Because no more than two members were nominated for any one National Office, there is no need to conduct a primary election.

The same Election Committee will conduct the mail-ballot election amongst the members of the Eastern and Western Regions. Those ballots are expected to be mailed in September 2020.

Respectfully submitted,
2020 Election Committee
